PROJECT SHEET

STEP 1.
READY YOUR TEMPLATES

Print out each of the provided templates. Colour in the trees.

STEP 2.
CREATE THE BACKGROUND

Cut and paste onto colour cards to create blue sky and green grass.

STEP 3.
ADD SOME COLOUR

Colour in the shapes and cut out with scissors. Remember to colour some leaves green and others orange and red!

STEP 4.
MAKE YOUR TREES

Paste the coloured cut-outs to the bare trees with a Glu Stik. Label each season as you go!
