

Foam Pads

PRESSURE SENSITIVE ADHESIVE COATED DOUBLE-SIDED PADS

Date: 30 March 2022

Fact Sheet No.: TDS00719

YOUR SMART ADVANTAGES

- Double sided foam pads for 3D effects
- No mess, easy to use
- Ideal for card making, paper crafts, model making & more

USES

Bostik Foam Pads are sheets of square double-sided adhesive pads, ideal for creating 3D effects in craft projects like making cards, models, collages, scrap books and decoupage.

Acid and lignin free, Bostik Foam Pads offer a no mess solution with an easy-to-use peel technique. There is no need to wait for the glue to dry as they stick instantly. Suitable for use on most flat surfaces including wood, paper, fabric, plastic, and even difficult plastic such as polythene.

Bostik Foam Pads are UKCA and CE approved.

PRODUCT CHARACTERISTICS

Colour	Transparent
Form	Sticky adhesive pads
Specific Gravity	1.0 approx.
Composition	Hydrocarbon polymer
Product Code	30803765 414 Small Foam Pads x 12 wallets 30813358 50 Medium Foam Pads x 12 wallets

Storage/Shelf Life	Store for up to 24 months from date of manufacture when stored in original, unopened packaging under dry conditions within the temperature range of +5°C to +25°C.
--------------------	--

Odour	Nil
-------	-----

TYPICAL PERFORMANCE DATA (Approx.)

Application Temperature	+5°C to +30°C
Service Temperature	-20°C to +45°C
Coverage	Depends upon the size, shape and placement of items to be bonded
Drying Times	Ready for immediate use

DIRECTIONS FOR USE

IMPORTANT: Before using Bostik Foam Pads refer to the relevant Health & Safety Data Sheet, available at www.bostik.com/uk.

PREPARATION

1. The surfaces must be clean, dry and free from any dust or loose material.
2. For best results, surfaces and surroundings should be pleasantly warm.
3. Take out the sheet of pads from the wallet and place on a firm surface.

APPLICATION

4. Peel a pad off the sheet using fingers or gently with tweezers.
5. Press the pad onto one surface.
6. Peel the paper backing off the pad.
7. Press the second surface onto the pad.
8. Pads can be used together to create larger effects.

REMOVAL

9. Carefully and very, very slowly peel away to avoid damaging the surface.

PRECAUTIONS IN USE

Bostik Foam Pads are unsuitable for use on very absorbent, damp, dusty, delicate or newly decorated surfaces. If in doubt carry out a small test, first.

For any application not covered please contact Technical Services on +44 (0)1785 272625 or visit www.bostik.com/uk for advice.

Recommendations and suggestions are for guidance only, since conditions of use are completely beyond our control.

For health and safety instruction, first aid measures and spillage and disposal instructions, see separate Health and Safety Data sheet for Bostik Foam Pads, available at www.bostik.com/uk.

This disclaimer is issued by Bostik Limited ("the Company") and applies to the use of any products supplied by the Company ("the Products") displayed on this Technical Data Sheet ("TDS"). Please read this disclaimer carefully before using any of the Products. Using this TDS and/or the Product constitutes your acceptance of this disclaimer. Its contents shall prevail over any directions of use and any disclaimer and/or exclusion or limitation of liability of the Company which may appear on the packaging of the Products.

This disclaimer sets out the entire financial liability of the Company (including any liability for the acts or omissions of its employees, agents and sub-contractors) to any user of the Products ("Product User") in respect of any use made or resale by the Product User, of any of the Products in this TDS.

This disclaimer does not affect the Company's liability for death or personal injury arising from the Company's negligence in respect of the Products, nor its liability for fraud, or fraudulent misrepresentation, nor any other liability which cannot be excluded or limited under applicable law.

The Company's total liability however arising and whether caused by tort (including negligence and breach of statutory duty), breach of contract or otherwise, arising in connection with the use made or resale by the Product User of any of the Products in this TDS shall be limited to the price paid for the Product by the Product User.

The Company shall not be liable to the Product User for any pure economic loss, loss of profit, loss of business, depletion of goodwill or otherwise, in each case whether direct, indirect or consequential, or any claims (including in respect of personal injury insofar as not caused by the Company's negligence) for consequential compensation whatsoever (howsoever caused) which arise out of or in connection with the use made or resale by the Product User of any of the Products in this TDS.

The Company shall not be liable to the Product User in relation to any loss for any use which is inappropriate or use which is otherwise than in accordance with the relevant instructions for use of the Products in this TDS or on the Product. Product Users are advised to confirm the suitability of the Products by their own tests.

This TDS covers just one of a large range of products supplied by the Company.

Full information on these products and advice on application is freely available from our fully trained staff throughout the country. In addition, specialist technical advice is available from our Technical Services Department. This TDS supersedes all previous TDSs relating to the Products, and users of it must ensure that it is the current issue. Destroy all previous TDS, and if in any doubt, contact the Company, quoting the code number in the top right hand corner on the front of this document.
