

Magic Tape

DOUBLE-SIDED TRANSPARENT MOUNTING TAPE

TECHNICAL SHEET NO: TDS02264 29/08/2024

SMART ADVANTAGES

- Double sided mounting tape
- Transparent
- High adhesive power – up to 7.5kg total strength
- Remove without leaving any residue
- Washable & reusable
- Indoor use only
- Suitable for multiple materials (plastics*, glass, wood, metal, ceramic...)

DESCRIPTION

This double-sided magic mounting tape used for temporary bonding and mounting of objects and decoration in all conditions where transparent bonding is needed.

The magic double-sided tape is washable under water before re-use and easy to use for aesthetic and long-lasting mounting.

Ideal for bonding where occasional removal is needed as the tape can re-stick without loss of performance, it ensures strong adhesion with plastic, metal, ceramics, glass, and wood surfaces.

This tape is dedicated for an indoor use for fixing and mounting objects to smooth and semi-smooth surfaces and ideal to fix temporary small objects (1kg per 20cm).

TECHNICAL CHARACTERISTICS

Colour	Clear
Adhesive	Acrylic
Elongation at break	800%
Odour	No
Core material	Recycled plastic
Tape width	19mm
Tape length	1.5m
Coverage	Width: 19mm Length: 1.5m

APPLICATION

PREPARATION

- Upon application, the treated surface should be clean, dry, and free of grease, oil, moisture, dirt, and other contaminants.
- It is suggested that the adhesive tape should be bonded between 20°C and 40°C.
- The surfaces should also be even, without any deformities or imperfections that can negatively affect the adhesion properties.

HOW TO USE

- Cut the tape with scissors.
- Press firmly and evenly for 30 sec to press out air bubbles and create optimal adhesion.
- Remove the protective film from the top of the tape.
- Position the chosen object and press firmly for 60 sec to allow the object to adhere.

HOW TO RE USE

- Peel of the tape.
- Wash with washing up liquid & water.
- Leave it to dry completely.
- Re-use It!

STORAGE

- 36 months in its sealed original packaging, stored in dry conditions at a temperature between +10°C and +35°C. Protect from frost.

PRECAUTIONS IN USE

Keep out of reach of children. Not for use as electrical tape. Read label before use.

*Except Silicone, PP and Teflon

For any application not covered please contact Technical Services on +44 (0)1785 272625 or visit www.bostik.co.uk for advice.

Recommendations and suggestions are for guidance only, since conditions of use are completely beyond our control.

PACKAGING

Product codes	30628185	Bostik Magic Tape
---------------	----------	-------------------

This disclaimer is issued by Bostik Limited ("the Company") and applies to the use of any products supplied by the Company ("the Products") displayed on this Technical Data Sheet ("TDS"). Please read this disclaimer carefully before using any of the Products. Using this TDS and/or the Product constitutes your acceptance of this disclaimer. Its contents shall prevail over any directions of use and any disclaimer and/or exclusion or limitation of liability of the Company that may appear on the packaging of the Products.

This disclaimer sets out the entire financial liability of the Company (including any liability for the acts or omissions of its employees, agents and sub-contractors) to any user of the Products ("Product User") in respect of any use made or resale by the Product User, of any of the Products in this TDS.

This disclaimer does not affect the Company's liability for death or personal injury arising from the Company's negligence in respect of the Products, nor its liability for fraud, or fraudulent misrepresentation, nor any other liability that cannot be excluded or limited under applicable law.

The Company's total liability however arising and whether caused by tort (including negligence and breach of statutory duty), breach of contract or otherwise, arising in connection with the use made or resale by the Product User of any of the Products in this TDS shall be limited to the price paid for the Product by the Product User.

The Company shall not be liable to the Product User for any pure economic loss, loss of profit, loss of business, depletion of goodwill or otherwise, in each case whether direct, indirect or consequential, or any claims (including in respect of personal injury insofar as not caused by the Company's negligence) for consequential compensation whatsoever (howsoever caused) which arise out of or in connection with the use made or resale by the Product User of any of the Products in this TDS.

The Company shall not be liable to the Product User in relation to any loss for any use that is inappropriate or use that is otherwise than in accordance with the relevant instructions for use of the Products in this TDS or on the Product. Product Users are advised to confirm the suitability of the Products by their own tests.

This TDS covers just one of a large range of products supplied by the Company.

Full information on these products and advice on application is freely available from our fully trained staff throughout the country. In addition, specialist technical advice is available from our Technical Services Department. This TDS supersedes all previous TDSs relating to the Products, and users of it must ensure that it is the current issue. Destroy all previous TDS, and if in any doubt, contact the Company, quoting the code number in the top right hand corner on the front of this document.
