

Repair Tape Max - Clear

CLEAR ACRYLIC PRESSURE SENSITIVE TAPE

TECHNICAL SHEET NO: TDS02262 29/08/2024

SMART ADVANTAGES

- High resistance
- Immediate repair
- Transparent
- UV resistance
- Indoor & outdoor uses
- Waterproof
- Temperature resistance from -10°C to +75°C
- Resistance to shocks & vibrations
- Suitable for all materials (plastics*, glass, wood, metal, leather, fabrics, ceramic, tiles, cardboard...)

DESCRIPTION

Bostik Repair Tape Max Clear is an LDPE film backed with a clear, pressure sensitive, water acrylic adhesive.

This clear maximum strength repair tape is used for sealing of broken or punctured surfaces where transparency and resistance to the elements are imperative. Due to excellent adhesion and resistance characteristics, this tape ensures long-lasting and heavy-duty repair.

Suitable for repair of glass surfaces (windows, furniture, headlights, taillights), as well as for plastic elements (greenhouse covers)

Waterproof, this tape can be applied on different substrates (plastics*, glass, wood, metal, sky fabric, leather, fabrics, ceramic, tiles, cardboard...) indoors and outdoors.

Resists UV, humidity, frost, and temperature variations (-10°C to +75°C) without any yellowing.

TECHNICAL CHARACTERISTICS

Colour	Clear
Form	LDPE film
Adhesive	Water Acrylic
Elongation	550%
UV Resistant	Yes
Temperature resistance	From -10°C to 75°C
Water resistance	Waterproof & resistance in immersion
Odour	No
Core material	Recycled cardboard
Tape width	50mm
Tape length	20m
Coverage	Width: 50mm Length: 20m

APPLICATION

PREPARATION

- Upon application, the treated surface must be clean, dry, and free from dust and grease.
- The indicated level of performance will be reached after bonding period of 24h.

APPLICATION

- Avoid touching the exposed adhesive surface to keep full adhesive performance.
- Cut the tape.
- Apply to the repair area and press strongly and evenly for 30 seconds to get the best adhesion.
- The tape needs to be pressed strongly and evenly to remove air bubbles and trigger the adhesive reaction.

CLEANING

If any residue remains after peeling off the tape, wipe it off with a cloth and acetone.

STORAGE

- 36 months in its sealed original packaging, stored in dry conditions at +20°C. Protect from frost.

PRECAUTIONS IN USE

Keep out of reach of children. Not for use as electrical tape. Read label before use.

*Except PP and Teflon

For any application not covered please contact Technical Services on +44 (0)1785 272625 or visit www.bostik.co.uk for advice.

Recommendations and suggestions are for guidance only, since conditions of use are completely beyond our control.

PACKAGING

Product codes	30628171	Bostik Repair Tape Max Clear
---------------	----------	------------------------------

This disclaimer is issued by Bostik Limited ("the Company") and applies to the use of any products supplied by the Company ("the Products") displayed on this Technical Data Sheet ("TDS"). Please read this disclaimer carefully before using any of the Products. Using this TDS and/or the Product constitutes your acceptance of this disclaimer. Its contents shall prevail over any directions of use and any disclaimer and/or exclusion or limitation of liability of the Company that may appear on the packaging of the Products.

This disclaimer sets out the entire financial liability of the Company (including any liability for the acts or omissions of its employees, agents and sub-contractors) to any user of the Products ("Product User") in respect of any use made or resale by the Product User, of any of the Products in this TDS.

This disclaimer does not affect the Company's liability for death or personal injury arising from the Company's negligence in respect of the Products, nor its liability for fraud, or fraudulent misrepresentation, nor any other liability that cannot be excluded or limited under applicable law.

The Company's total liability however arising and whether caused by tort (including negligence and breach of statutory duty), breach of contract or otherwise, arising in connection with the use made or resale by the Product User of any of the Products in this TDS shall be limited to the price paid for the Product by the Product User.

The Company shall not be liable to the Product User for any pure economic loss, loss of profit, loss of business, depletion of goodwill or otherwise, in each case whether direct, indirect or consequential, or any claims (including in respect of personal injury insofar as not caused by the Company's negligence) for consequential compensation whatsoever (howsoever caused) which arise out of or in connection with the use made or resale by the Product User of any of the Products in this TDS.

The Company shall not be liable to the Product User in relation to any loss for any use that is inappropriate or use that is otherwise than in accordance with the relevant instructions for use of the Products in this TDS or on the Product. Product Users are advised to confirm the suitability of the Products by their own tests.

This TDS covers just one of a large range of products supplied by the Company.

Full information on these products and advice on application is freely available from our fully trained staff throughout the country. In addition, specialist technical advice is available from our Technical Services Department. This TDS supersedes all previous TDSs relating to the Products, and users of it must ensure that it is the current issue. Destroy all previous TDS, and if in any doubt, contact the Company, quoting the code number in the top right hand corner on the front of this document.
